## Regenerative Agriculture

The image shows a screenshot of a presentation slide. At the top, there is a navigation bar with tabs for 'DESIGN', 'TRANSFORM', 'ANIMATION', 'SLIDE SHOW', 'RECORD', 'REVIEW', 'VIEW', and 'HELP'. Below this is a ribbon with various icons for editing and presentation. The main content of the slide is a list of business opportunities from regenerative agriculture. The list includes: 'Sustainable Timber', 'Sustainable Logging/Poles', 'Honey', 'Fruits', 'Cereals', 'Tubers', 'Spices', 'Vegetables', 'Legumes', 'Herbs', and 'Agritourism'. To the right of the list are two images: one showing a field of green plants and another showing a pile of brown, textured products. At the bottom right of the slide, there is a caption: 'Images courtesy of ambakofi'. The bottom of the screenshot shows a 'Notes' section with a text area and a 'Notes' button.
