Contributions of The Fellowship to My Career

Increased self esteem and confidence to apply for other positions

Better writing skill

Open mindedness

Global visibility

Challenges Encountered

Coping with school work alongside other demands

Internet instability to join monthly calls

Distance, a minor challenge

Suggestions for AGMCP Management Team

To keep up the good work

To incorporate undergraduates in their penultimate or final year into the programme, so they could also get good mentoring sessions that could shapen the course of their lives
