

African Graduate Mentorship and Coaching Program (AGMCP) Cohort 4-2023

Memorabilia

By

Edwin Karoney

Mentor: **Prof. Oladele O. Idowu**

Introduction

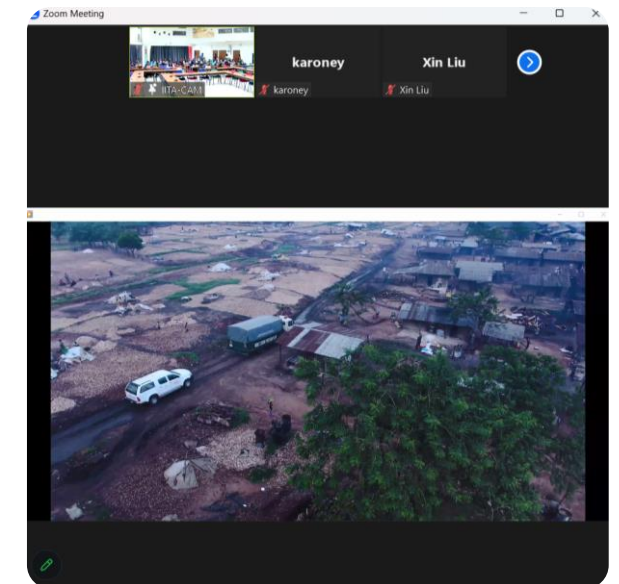

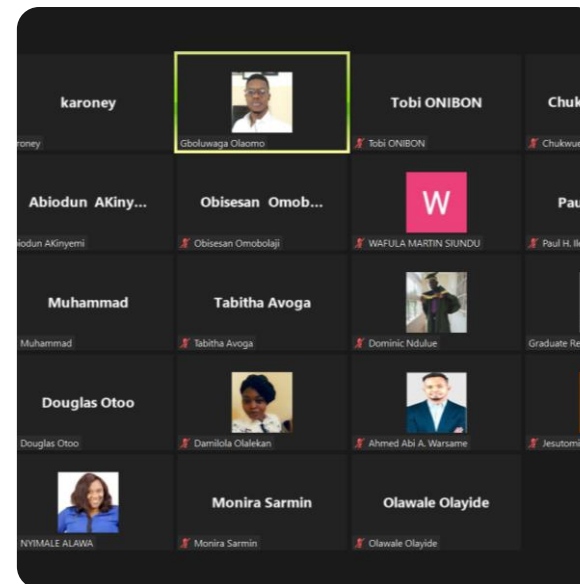

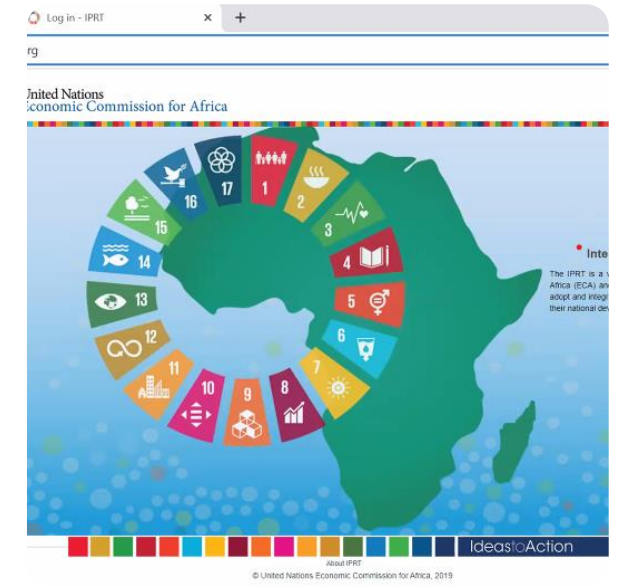

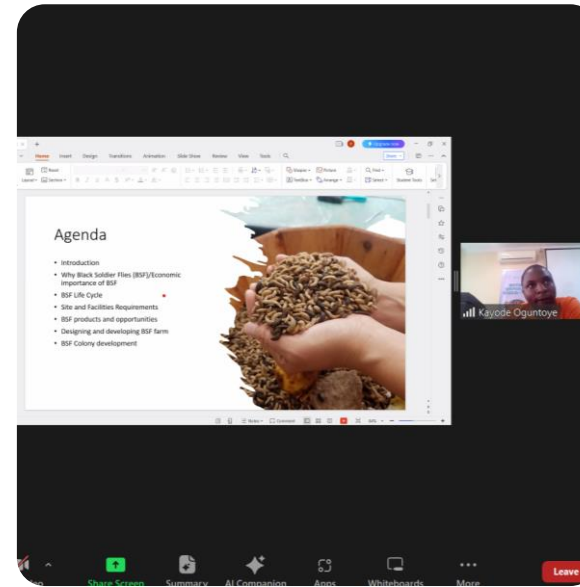

- I convey my sincere gratitude to the AGMCP team for granting me the opportunity to participate in the fourth cohort of the mentorship program.
- It has been a year full of learning from different sources courtesy of the AGMCP.

Lessons and Experiences from AGMCP-2023

- Through the monthly scheduled webinars, I was able to enrich my skills on
 - ✓ Grand proposal writing
 - ✓ Article writing
 - ✓ Communication of scientific findings to non-science groups.
 - ✓ Data collection and analysis (R and Kobo collect).

Activities involved-during the AGMCP 2023 Fellowship

- Monthly webinars on different topics e.g.
 - ✓ Sustainable African Food systems.
 - ✓ Grant proposal writing.
 - ✓ Black soldier flies for organic decomposition.
 - ✓ Understanding RIMA.
- Circularity conference-(Online participant).
- International Sustainable Development Research Society Conference- (Online participant).

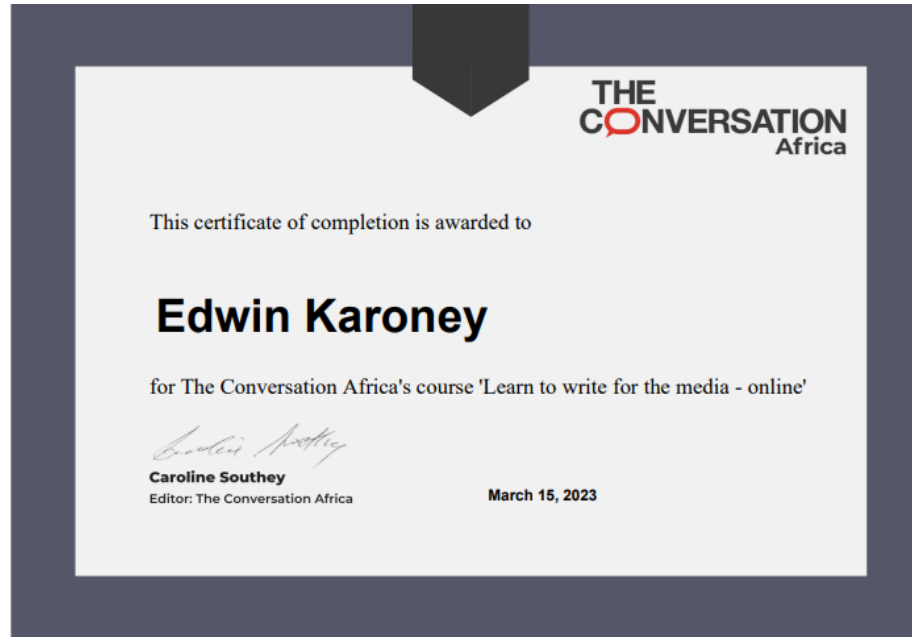

Other workshops and Trainings

- South African Journal of Science writing workshop- 8th of June 2023.
- The Sustainable Development Goals and the Law-(Online Short course offered by University of Cambridge 28th Aug-10th Sept 2023).
- Life after publication: How to promote your work for maximum impact (Short course offered by Elsevier).

Some of the Certificates received during the AGMCP-2023 Fellowship year

Acknowledgments

- My acknowledgments to the AGMCP Management led by Dr. Olayide for their immense commitment to empowering your emerging researchers through the AGMCP yearly activities.
- Much appreciation to my mentor Prof. Oladele, other mentors, and invited presenters who spared their precious time to ensure we are enriched as mentees.
- To all my fellow mentees, you have been a great team to keep for our current and future research collaborations.
