Overview of AGMCP

- The Africa Graduate Mentorship and Coaching Program (AGMCP) is a one-year mentor-mentee initiative by the Interconnections for Making Africa Great Empowered and Sustainable (IMAGES)
- The program targets graduate-level students (Masters, PhD and post-doc) between the ages 20-30 years across Africa.
- Successful completion is pegged on achievement of set deliverables, milestones and requirements.

Activities and Experiences During the Fellowship

- Participation in the monthly webinar modules for the fellowship year
- The webinars were very resourceful as they covered diverse areas
- I improved my scientific research capacity, how to write publications and also my communication skills.

Activities and Experiences Cot'd

- Participation in 5th annual circularity conference and other special trainings

Activities and Experiences Cot'd

- Undertook the Online short course on Resilience Index Measurement and Analysis

Significant Contributions of the Fellowship on my Professional Development

- The fellowship has greatly impacted my writing skills positively
- Great network connections
- Increased personal confidence and self-esteem

Recommendations to the AGMCP Management Team

- Management could organize for country-specific mentee physical meet-ups
- Physical meeting for all mentors and mentees at least once during the fellowship year.

Acknowledgements

- Sincere appreciation goes to the Almighty God for the gift of life and enabling me throughout the fellowship
- Grateful to the IMAGES initiative for granting me the opportunity to be a part of them for the program
- Many thanks to my mentor Dr. Tosin Adeniyi and all resource persons for the monthly webinars
- Thanks to AGMCP 2024 cohort.
